**PRESENTER Carrie Mayne** - Carrie is currently the Chief Economist and Director of Workforce Research and Analysis at Utah's Department of Workforce Services, where she has been employed for the past 11 years. She and her staff produce a wide array of tools to aid the public in understanding the state's workforce. The division's output ranges from Bureau of Labor Statistics data series to quasi-experimental analysis of job training programs. Carrie is currently a member of The Utah Economic Council and the Governor's Women in the Economy Commission. She holds a bachelor's degree in economics from the University of Utah and is currently an ABD PhD in the same field. Her areas of expertise include labor economics, econometrics and statistics. Carrie currently lives in Salt Lake with her husband and daughter.
